

# Grocery Distribution Specialists Quality assured.

## Why Toll ?

- Access end-to-end solutions
- 24/7 operations
- Flexible during regular and seasonal peaks
- Ensure continuity of your store supply
- Industry leaders in safety, compliance and risk standards

From fresh produce to frozen goods, we are the trusted long-term partner for leading grocery retailers across Australia.

We specialise in large, complex grocery operations, integrating multiple Distribution Centres (DCs) with our sophisticated route optimisation capabilities.

Trust us to deliver a seamless service from day one.

# Partner with us

## PEOPLE

### Industry know-how

- We offer end-to-end solutions flexible to your needs across fleet, facilities, IT, property, network solutions, safety and sustainability.
- Highly trained grocery drivers skilled in delivering ambient, fresh, chilled, and frozen goods.
- Expertise includes in fleet and network design tailored to store and location requirements.
- Scale-up as you need with *Toll People*, our in-house labour hire service.

## SERVICE

### Vast networks and distribution

- Industry leading service and safety compliance.
- Complete management of 24/7 deliveries flexed to seasonal peaks.
- Continuity of supply to your stores in times of need by leveraging our national capabilities.

## FLEET & TECHNOLOGY

### Specialised fleet and eco-conscious solutions

- Market leading fleet design for any store format.
- Advanced fleet telematics with integrated tracking and safety systems.
- Latest technology linking driver and freight movements for greater visibility and quality assurance.
- Procurement specialists for large-scale grocery fleet implementations, ensuring leading safety systems and compliance.

## INNOVATION & SUSTAINABILITY

### Sophisticated systems drive efficiencies

- Eco-friendly practices are embedded in our suite of transport solutions.
- Specialised route modelling to optimise grocery deliveries across fleet, kms, time and emissions.
- Real-time delivery alerts to optimise your in-store resource planning.
- Electric prime movers and rigids for emission reduction.

## HEAR WHAT OUR CUSTOMERS SAY

“ Toll has been our strategic partner for more than 20 years. They understand the needs of our business and the importance of ensuring reliable and exceptional service that meets the needs of our consumers. ”
